

# Nightlife and Entertainment

- ✚ Under recent changes to the law, no alcohol may be sold to any person under the age of 18 years.
- ✚ Gambling laws are very different to most northern European countries, especially bingo, which is licensed and excludes bars. There are penalties for taking part or being in a place where gambling is taking place.
- ✚ Crowded bars in the early hours of the morning can be a venue for pickpockets – so please be aware and keep your property safe.
- ✚ Although generally safe – it is best not to walk alone in tourist areas if you have consumed too much alcohol.
- ✚ If you are going out at night for a stag or hen party or as a group, ensure that you can contact your friends if you become isolated from them.
- ✚ It's sensible to carry identification in case of any emergency, so friends/relatives can be contacted.
- ✚ Be aware of local culture and what is offensive to them – conversely what makes them your friends!
- ✚ Say “no” if you are offered any drugs – many of them are fake anyway.
