Overview of services

Mestre Raposa provides excellent service to all clients. From new builds to the renovations, there is no limit in the capacity of producing the best solutions for your home. Security is an important issue nowadays and we take this seriously. We have available the best security systems for your doors and windows, never losing its quality and durability with an outstanding product which is MADE IN GERMANY.

Mestre Raposa has always been a trendsetter when it comes to the latest technologies and modern design with doors, windows, conservatories.

Brief Company History

Mestre Raposa (MR –Sistemas de Construco Modernos, Lda.) is an established company, with more than 10 years of existence and success in the Algarve, in supplying and installing windows and doors of the highest quality. Our products are produced in Germany following German standards and certifications. As such, Mestre Raposa supplies these products in Portugal with prices that are very competitive with the present market. Without doubt they represent the latest developments in window and door profiles throughout Europe.

All of our products are installed by our qualified and experienced in-house team of experts. Mestre Raposa is your ideal partner when it comes to supplying and installing all types of windows and doors.

Brief Personal Background

Mestre Raposa was created more than 10 years ago with the focus to bring Portugal windows and doors, to the standard of security and quality that they deserve. From that day we put together an experienced and professional team with different backgrounds and nationalities. We have been working together for many years now, until today we have improved around 3000 homes in the hole of Portugal, mainly in the Algarve.

Clients

Mestre Raposa frequently takes on challenging projects still ensuring the highest level of professional service. Some of those are the examples include the Tivoli Marina in Vilamoura, Dunas Douradas Beach Club in Vale do Lobo, the Palacio de Estoi renovation and many others. A vast variety of products to suite all buildings, homes, styles and architecture is available.

We have a wide variety of customers ranging from private clients, builders, contactors, Portuguese public authorities and also clients from other European countries.

Company slogan

“Algarve, the best place for investments”
