### Overview of services

**euroFINESCO** is a full service company, helping expatriates to make the most of their new life in Portugal since 1991.

Whether it be meeting unfamiliar obligations in a new land, maximizing opportunities in a smooth transition from the past or financial and estate planning for the future, **euroFINESCO** is here to guide you, keep you compliant and prepare you to meet your goals.

### Brief Company History

*The Finesco Group* came into being in 1982 when Finesco (Far East) Ltd. was established to attend to the diverse financial and fiscal requirements of the British expatriate community.

Initial areas of operation included Malaysia, Thailand, Philippines, Hong Kong and Singapore where the administration of the company's affairs were centered from offices in the prestigious Orchard Road area in the heart of Singapore's business district.

Expansion created the need for other administrative centers, and offices in Brunei and Scotland

became operational in the 1980s followed in 1991 by offices in Portugal. The **euroFINESCO** headquarters in the Algarve direct the European operations of the Finesco Group.

### **Clients**

Expatriates from Europe and abroad who have tax obligations in Portugal.

### **Company slogan**

We help clients analyse where they stand financially, where they want to go and how they can get there.

We take a comprehensive approach to financial planning, advising on all areas of a person's financial life: income tax, retirement, estate planning, investment management and insurance needs.

### **Crime Prevention and Service Quality Approach**

We act with discretion, provide objective and unbiased opinion and accomplish with integrity.

We stand by our clients.
