

Travel restrictions between municipalities
00.00 hrs October 30, to 06.00 hrs November 3, 2020

Council of Ministers resolution n. o 89-A / 2020 of October 26, Para 15 determines that citizens cannot move outside the municipality of habitual residence in the period for the above period, except for reasons of health or other reasons of imperative urgency. Does NOT apply to:

- Health professionals and other workers of health and social support institutions, as well as teaching and non-teaching staff in schools;
- Travel for the purpose of professional or similar activities, provided that they i) Make a declaration, under honour, if the movement takes place between municipalities bordering the usual residence or in the same Metropolitan Area; or they are provided with a declaration from the employer, if the trip is not limited to these areas;
- Travel by minors and their companions to school establishments, day care centres and leisure activities, as well as travel by students to higher education institutions or other school establishments;
- Travel by users and their companions to Occupational Activity Centres and Day Centres;
- Travel to attend training and tests and examinations, as well as inspections;
- Travel to participate in procedural acts with judicial entities or in acts within the competence of notaries, lawyers, solicitors, conservators and registry officers;
- Travel required to leave mainland Portugal;
- Travel by non-resident citizens to places of proven residence;
- Travel to attend cultural shows, if the travel takes place between municipalities bordering the usual residence or in the same Metropolitan Area and provided that they have the respective ticket;
- Return to habitual residence.

The restriction provided above does not prevent circulation between the portions of the municipalities in which there is territorial discontinuity.

To determine that the provisions of paragraph 16 apply, with due adaptations, to the movement of non-resident citizens in mainland Portugal.
